

Looking At You

Gotthard

G **D**
1. In all the games I've played
Am **Em**
Seems the dice were always wrong
G **D** **Am** **G**
Never stood a chance, and I know
G **D**
But I found a love so good
Am **Em**
That I wanna hold it
G **D** **Am** **G**
It's something that I'll have to see through

Em **G**
R: Looking at you, looking at me
D **D**
What a solid gold love, this could be
Em **G** **D** **D**
Something that I'll never know
Em **G**
Looking at you, looking at me
D **D**
I see a bird of love, to set me free
Em **G** **D** **D**
We can make it, on our own

2. I came up the hard way
Just alive on one night stands
I was never looking for another kind
And I'll bet you one night
Ooh, when we were holding hands
I knew that I've found my peace of mind

R:

G **C** **D** **D**
So don't let me wait to long
G **C** **D** **D**
Cuz' I can't live another day without your love
I need to know baby ...
