

Movin' On

Gotthard

I got a devil in me
Lord it's hard to make believe
It's shakin' in me babe
I feel it running, kicking,
He's gotta break free

Movin' on, movin' on, movin' on,
From time to time
Movin' on, movin' on, movin' on,
From time to time

Ya know that it's so easy
To loose control
It gets your whole body n'soul
Some would give it
Some would not
I juess I'm just the kinda guy
Who can't stop

Movin' on, movin' on, movin' on,
From time to time
Movin' on, movin' on, movin' on,
From time to time

I got you now
And I'm under your skin
I got you now
Let no other come in
I got you now
I got you now
I got you now, I swear I'll never let go

Movin' on, movin' on, movin' on,
From time to time
Movin' on, movin' on, movin' on,
From time to time
