Sin's a Good Man's Brother

Grand Funk Railroad

Ain't seen a night Things work out right Go by

Things on my mind
And I just don't have the time
And it don't seem right

Ain't seen a day That I don't hear people say They know they're gonna die

Now, this may seem a little bit crazy
But I don't think you should be so lazy
If you think you've heard this before
Well, stick around I'm gonna tell you more

One just like the other Sin's a good man's brother But is that right?

You tell me that I don't Then I say I won't But then I might

You said this is the way it's supposed to be But it just don't seem right to me And that's outta sight

Some folks need an education Don't give up or we'll lose the nation You say we need a revolution It seems to be the only solution
