

# Black Hound of Vengeance

Grand Magus

Got firm belief in what's to come  
Your trecherous ways leave me cold and numb  
No magic circle will save you now  
Your scent's been picked up by my wish to strike

You try to hide behind a veil of smoke  
To summon petty demons, will not work  
Cause my familiar has searched you out  
To make you pay for all the pain I took

You'll learn the way of -  
The Black Hound Of Vengeance  
You'll learn the way of -
