

## Never Learned

Grand Magus

I have been told  
Why I can't grow old  
I never learned  
To stay away  
When the water churns

Alright

I can't be sold  
No matter what your gold  
I, oh I  
I've never learned  
I never learned  
I've never learned  
Never learned  
I never learned

Cause I never learned  
I never learned  
Never learned  
I never learned  
Cause I never learned
