Grateful Dead

1. All the years combine, they melt into a dream,  
**E   Emaj7   Asus   A            Em   C7   B**  
A broken angel sings from a guitar.  
**E   Emaj7   Asus   A                            Em   C7   B**  
In the end there's just a song comes cryin' up the night  
**E   Emaj7   Asus   A                            Em   C7   B**  
Thru all the broken dreams and vanished years.  
**E            A            E**  
Stella blue. Stella blue.
2. When all the cards are down, there's nothing left to see,  
There's just the pavement left and broken dreams.  
In the end there's still that song comes cryin' like the wind.  
Down every lonely street that's ever been  
Stella blue. Stella blue.

\*: I've stayed in every blue-  
light cheap hotel, can't win for trying.  
Dust off those rusty strings just one more time,  
Gonna make them shine, shine
3. It all rolls into one and nothing comes for free,  
There's nothing you can hold, for very long.  
And when you hear that song come crying like the wind,  
It seems like all this life was just a dream.  
Stella blue. Stella blue.
