

Dream To Live

Great Big Sea

G **D** **Em** **C**

Set off for america far across the raging sea

G **D** **Em** **C**

From the frozen coves of my island home to the land of liberty

G **D** **Em** **C**

I had to leave my girl behind until I make my way

G **D**

Oh Molly dear please wait for me

Em **D**

I'll come back for you some day

We landed hard in Boston and I never seen the like

A small boat boy from around the bay in this sea of shining like

two days in I got a got a job Building towers of high steel

G **Em** **C** **G**

I had to learn to not look down and I quickly learned to kneel

G **Em**

C **D**

R: All I need is one good night sleep in your loving arms to me
nd

G

Em **C** **D**

Sleep to dream and we dream to live will I live to love you
again
