Great Lake Swimmers

There's a mark on my hand put there by the land  
There's a mark on my hand put there by the land  
There's a mark on my hand put there by the land  
There's a mark on my hand put there by the land

Can't you see it's in me, can't you see  
Can't you see it's in me, can't you see  
Can't you see it's in me, can't you see  
Can't you see it's in me, can't you see
