

# Rock Me

Great White

Sweet little baby, you don't have to go  
Little baby, tell me you won't go  
We'd be so good together if we had the time  
'Cause being alone is a nowhere state of mind

Loving ain't no crime, oh no  
I see your man ain't here, he don't care  
The way of the night has gone and we'll move on  
Got to find a way to face another day

I search the world for someone I'll never find  
Someone who ain't the hurting kind  
If you stay the night, oh yeah  
We'll make the wrong seem right

So come on now and  
Rock me, rock me, roll me through the night  
Rock me, rock me, roll me through the night  
Rock me, rock me, roll me through the night  
We'll burn in love tonight

Sweet little baby, oh don't you go  
You ain't so innocent, I know  
I know your heart's like mine, oh yeah  
And I will find the time to make you mine  
And if your love goes bad, if it makes you sad  
But I'll be back for more at your door

Rock me, rock me, roll me through the night  
Rock me, rock me, roll me through the night  
Rock me, rock me, roll me through the night  
Before the morning light, we'll burn with love tonight  
Burn with love tonight

And when your man don't care, I will be there  
Still be loving real good love, so baby now  
Rock me, rock me, roll me through the night  
Rock me, come on, rock me, roll me through the night  
Rock me, rock me, roll me through the night  
There's no wrong or right we'll burn with love  
Rock me, rock me, roll me through the night  
Rock me, come on, rock me, roll me through the night  
Rock me, rock me, roll me through the night  
There's nothing left to do but make sweet love to you  
Come on and rock me
