Thank You

Great White

For the times You've been right by my side to show me the way;
You've shown Your love toward me each and every day.

I found Him to be a friend when I needed one, found Him to be a counselor when times were hard, He lifted my spirit when I was feeling low; oh, oh, thank You, Lord.

Thank You, thank You, thank You, Lord.

Thank You, thank You, oh, oh, thank You, Lord.

You've been a friend when I needed one. You've been a counselor when the times were hard. You lifted my spirit when I'm feeling low; oh, oh thank You, Lord.

Thank You.
