

## Solitude

Green Carnation

My name it means nothing, my fortune is less  
My future is shrouded in dark wilderness  
Sunshine is far away, clouds linger on  
Everything I possessed, now, they are gone  
They are gone, they are gone...

Oh, where can I go to and what can I do?  
Nothing can please me, only thoughts are of you  
You just laughed when I begged you to stay  
I've not stopped crying since you went away  
You went away, you went away...

The world is a lonely place, you're on your own  
Guess I will go home, sit down and moan  
Crying and thinking is all that I do  
Memories I have remind me of you  
Of you, of you...
