

## 2000 Light Years Away

Green Day

I sit alone in my bedroom  
Staring at the walls  
I've been up all damn night long  
My pulse is speeding  
My love is yearning

I hold my breath and close my eyes and...  
Dream about her  
Cause she's 2000 light years away  
She holds my malachite so tight so...  
Never let go  
Cause she's 2000 light years away  
Years Away!

I sit outside and watch the sunrise  
Lookout as far as I can  
I can't see her, but in the distance  
I hear some laughter,  
We laugh together

I hold my breath and close my eyes and...  
Dream about her  
Cause she's 2000 light years away  
She holds my malachite so tight so...  
Never let go  
Cause she's 2000 light years away  
Years Away!

I sit alone in my bedroom  
Staring at the walls  
I've been up all damn night long  
My pulse is speeding  
My love is yearning

I hold my breath and close my eyes and...  
Dream about her  
Cause she's 2000 light years away  
She holds my malachite so tight so...  
Never let go  
Cause she's 2000 light years away
