

# Private Ale

Green Day

**As**

1. I wonder down these streets all by myself

**As**

**C#**

Think of my future now I just don't know

**C#**

**As**

I don't seem to care

**As**

I stop to notice that I'm by your home

**As**

**C#**

I wonder if you're sitting all alone

**C#**

**As**

Or is your boyfriend there

**C# As Eb**

R: Because I feel so right

**C# As Eb**

Let my imagination go

**C# As Eb**

Until you're in my sight

**C# As Eb**

And through my veins temptation flows

Whoa hoa...

Out here...

2. So I sit down here on the hard concrete

Think of my future now I just don't know

I don't seem to care

So I sit across the street from your home

I wonder if you're sitting all alone

Or is your boyfriend there

R: Because I feel so right... (2x)
