

Need a Way

Green River Ordinance

Saw my face
In a child's eyes
Felt the pain
When a mother cries
How can I walk
How can I walk away

Buildings fall
Your love remains
The steady song
To guide my way
How can I walk
How can I walk away

Give me a heart for the brokenhearted
Give me a love that never fails
We are one in the same
We are called by his name

Brought through the fire
Given second life
But the soul I carry
Was never mine
How can I walk
How can I walk away

Give me a heart for the brokenhearted
Give me a love that never fails
We are one in the same
We are called by his name

Give me a heart for the brokenhearted
Cuz I need a love that never fails
We are one in the same
We are called by his name

I need a way
Take me higher than my own mind
I need a way
Take me further than my own sight
It's never slowing
Time will carry

I need a way
Take me higher than my own mind
I need a way
Take me further than my own sight
It's never slowing
Time will carry on

Give me a heart for the broken hearted
I need a love that never fails
We are one in the same
We are called by his name

Take this light in me and wash away the pain
Give me a heart for the broken hearted
