

Circle Around Again

Greg Laswell

All that you got away up your sleeves
In and out of me
I guess I was hoping that you'd see
No need to save me

I won't go on
I'll wait for you to understand
If you don't mind
I'll sit this one out
Wait for it to circle 'round again

You should see the look on your face
It's so clear that I'm gone
I guess I was hoping that you'd see
No need to kill me

I won't go on
I'll wait for you to understand
If you don't mind
I'll sit this one out
Wait for it to circle 'round again

Could it be that you and I are not the same as I thought?
Could it be that you and I are more the same than I thought?
