

# I'd Be Lying

Greg Laswell

Won't you let me give you a hand  
I have an extra I'm not using  
Won't you let me lighten your load  
I mean after all your legs are shaking

And I can understand  
All I need is your hand  
Oh won't you take the fall  
It is me after all

Won't you let me match your stride  
I can slow down if you want to  
We can handle it side by side  
What do you say girl don't you want to

And I can understand  
All I need is your hand  
Oh won't you take the fall  
It is me after all

I'd be lying  
If I ran away  
I'd be lying  
If I ran another way

And so I'll stay

But won't you let me be your man  
I'm strong enough you know that I can  
Be the one to ease your mind  
Ease your mind

And I can understand  
All I need is your hand  
Oh won't you take the fall  
It is is me after all

I'd be lying  
If I ran another way  
I'd be lying  
If I ran another way  
And so I'll stay

Won't you let me give you a hand  
I have an extra I'm not using  
Won't you let me lighten your load  
I mean after all your legs are shaking

And I can understand  
All I need is your hand  
Oh won't you take the fall  
It is me after all

There's not much that you can do  
To get me to run away from you

I'd be lying

If I ran away  
I'd be lying  
If I ran another away
