I'd Be Lying

Greg Laswell

Won't you let me give you a hand I have an extra I'm not using Won't you let me lighten your load I mean after all your legs are shaking

And I can understand All I need is your hand Oh won't you take the fall It is me after all

Won't you let me match your stride I can slow down if you want to We can handle it side by side What do you say girl don't you want to

And I can understand All I need is your hand Oh won't you take the fall It is me after all

I'd be lying If I ran away I'd be lying If I ran another way

And so I'll stay

But won't you let me be your man I'm strong enough you know that I can Be the one to ease your mind Ease your mind

And I can understand All I need is your hand Oh won't you take the fall It is is me after all

I'd be lying If I ran another way I'd be lying If I ran another way And so I'll stay

Won't you let me give you a hand I have an extra I'm not using Won't you let me lighten your load I mean after all your legs are shaking

And I can understand All I need is your hand Oh won't you take the fall It is me after all

There's not much that you can do To get me to run away from you

I'd be lying

If I ran away I'd be lying If I ran another away
