I know you have a little life in you yet
I know you have a lot of strength left

I should be crying but I just can't let it show
I should be hoping but I can't stop thinking
Ooo...
All the things we should've said that we never said
All the things we should've done but we never did
And all the things that you needed from me
And all the things that you wanted for me
And all the things I should've done but I didn't

Oh, darling
Make it go
Make it go away
