

## Come and Go Blues

Gregg Allman

People say that you're no good  
But I wouldn't cut you loose, baby, if I could  
I seem to stay down on the ground  
Baby, I'm too far gone to turn around

Oh, if only you make up your mind  
Take me where you go  
You're leaving me [?] behind

Woman, you got those come and go blues, yes, you do  
Lord, you got those come and go blues, yes, you do  
And oh, you got me feelin' like a fool, just like a fool

'Round an' 'round, an' 'round we go  
Don't ask me why I stay here, I don't know  
Well, maybe I'm a fool to care  
Without your sweet love, baby, I would be nowhere

So here I'll stay, locked in your web  
Until that day I might find someone else  
But I don't know just when that would be, yeah  
But I don't know, I can't say 'cause I can't see

Sail on, my darlin', sail on  
You just go your way an' I'll go mine  
Well, it seems to me that I once heard  
That everything is finally cured by time

Yeah, sail on, my darlin', sail on  
I just wish you good luck  
And I'll see you when you come next time, yeah

Lord, you got those come and go blues, yes, you do  
Woman, you got those come and go blues, I swear, you do  
And oh, you got me feelin' like a fool, just like a fool
