

Pretty

Gregory Porter

Pretty balls made from sand
Tassels hang from castles and camels
And real caravans
Lentils and rice seasoned with spice but when you go
Better when you do
You'll see a brown-eyed girl who changed my world for good

Her hands strokes the drum
She play so fast I cant find the one
She sings to me each night
She's dressed in white shining so bright
But when you go
Better when you do
You'll see a brown-eyed girl would change my world
For good, for good

Ooh I want to go, oh I want to go, oh I want to go
Brown eyed girl, brown eyed girl
