

Crazy

Gretchen Wilson

You cuss like a sailor
Smoke a pack a night
You're hell bend on livin'
Like ya ain't afraid to die

You're a lil too fast
You won't slow down
I'm your shotgun girl
Till my time runs out

You're crazy runs deep and I can see
That walk away sure they say ya gonna be
And maybe, one day you'll leave
But until my heart breaks in two
I'm gonna love you like I'm crazy

Sometimes you're lazy
You ain't worth a damn
This reckless life we're livin' got us
Sinkin' in the sand

You're way too rough
You're daddy's pride and joy
I thought a lil luck will change you
But I can't fix you boy

You're crazy runs deep and I can see
That walk away sure they say ya gonna be
And maybe, one day you'll leave
But until my heart breaks in two
I'm gonna love you like I'm crazy

You a tattoo in a hidden place
A motel room I shouldn't stay
A desperate prayer my mama prays

You're crazy runs deep and I can see
That walk away sure they say ya gonna be
And maybe, one day you'll leave
But until my heart breaks in two
I'm gonna love you like I'm crazy
Crazy
