

# One of the Boys

Gretchen Wilson

I can do most anything a man can do  
I can hold my liquor with the best of you  
Even take your money in a game of pool  
Yeah, I'd kick your butt if I wanted to  
I don't mind when people cuss in front of me  
Truth is I don't blush that much at anything  
But I still got this little girl inside of me  
That likes to be treated like a queen

I know I don't act much like a lady  
But I still need to be somebody's baby  
Yeah you might find me making too much noise  
But I'm more than just one of the boys  
Yeah, I'm more than just one of the boys

God knows I ain't ever been teh clingy type  
Looking for a man to make it all alright  
But I don't mind admitting sometimes late at night  
Well I need someone to hold me tight

And I know I don't act much like a day  
But I still need to be somebody's baby  
Yeah you might find me making too much noise  
But I'm more than just one of the boys  
Yeah, I'm more than just one of the boys
