

# Broken Hearts

Greyson Chance

I remember the first time saw you  
With your pretty brown eyes that sparkled  
In the light  
And your long brown hair  
And the way you could dance so well

And you took the air I'm breathing  
And stole my heart  
I don't know what happened  
But we fell apart  
You left me with the Broken Heart  
Oh, oh, oh, oh, Broken Heart

Broken hearts they never fade away  
and Broken hearts are here to stay

I know what we've been waiting for  
But that doesn't give you the excuse tooo  
Then all the reason you can  
Especially, my best friend

Cause you took the air I'm breathing  
You stole my heart  
I don't know what happened  
But we fell apart  
You left me with the Broken Heart  
Oh, oh, oh, oh, Broken Heart

Broken hearts they never fade away  
and Broken hearts are here to stay

Cause you took the air I'm breathing  
You stole my heart  
I don't know what happened  
But we fell apart  
You left me with the Broken Heart  
Oh, oh, oh, Broken Heart

You took the air I'm breathing  
You stole my heart  
I don't know what happened  
But we fell apart  
You left me with the Broken Heart  
Oh, oh. oh, Broken Heart

Broken hearts they never fade away

Cause you took the air I'm breathing  
You stole my heart  
I don't know what happened  
But we fell apart  
You left me with the Broken Heart  
Oh, oh, oh, oh, Broken Heart
