

There you are so gracefully, putting on a show
Speaking into silence and you've bottled up your cold
Take me to a foreign place, one without a turn
I'm thinking about the future as we hold the lakeshore

And I don't wanna go home
I don't wanna go
And I don't wanna go home
I don't wanna go

Said you had your soulmate, how's that looking now?
Collared up your neck, with him you left that frown
Take me to a quiet place, one without a turn
We talk about the future as we hold the lakeshore

And I don't wanna go home
I don't wanna go
And I don't wanna go home
I don't wanna go

And if that fire's to fade, I won't leave you in the blue
And if that feeling dies, don't lose sight, you felt it too
You say it's rapture now, I don't like feeling so used
And when those choirs fade, I'll keep standing up for you

And I don't wanna go home
Ah, oh
Oh-oh, I don't wanna go home, home, no
