

Sunshine & City Lights

Greyson Chance

It's taking us downtown
You're watching me, watching me, watching me go
But I never listen
No, I never let you know

Now we're heading uptown
Is there something or nothing you wanted to say
'Cause i need to go now
Do you want me to stay
Stay-ay-ay-e-ay

What you need to know
Is to try to let it go, let it go
What you need to find
Is someone who never will let you go
Oo-oo and sunshine and citylights
Will guide you home
Oo-oo yeah you gotta know
That i'll never let you go

Now we're stuck in midtown
Surrounded by people and nothing but sound
And we're going nowhere
We are the lost and found
We're all over this town
Is there something or nothing you wanted to say
Do you want me to go now
'Cause baby I wanna stay
Stay-ay-ay-e-ay

What you need to know
Is to try to let it go, let it go
What you need to find
Is someone who never will let you go
Oo-oo and sunshine and citylights
Will guide you home
Oo-oo yeah you gotta know
That i'll never let you go

Sunshine and City Lights
Oo-oo
Sunshine and City Lights

What you need to know
Is to try to let it go, let it go
What you need to find
Is someone who never will let you go

What you need to know
Is to try to let it go, let it go
What you need to find
Is someone who never will let you go
Oo-oo and sunshine and citylights
Will guide you home
Oo-oo yeah you gotta know
That i'll never let you go
