

# Victim

Greyson Chance

Blank souls coming your way  
What you gonna do when they call your name?

The heart breaker whispers round  
What you gonna do when they call you insane?

You wanna feel the desire  
Someone to take you higher  
You wanna go all the way  
You wanna go all the way

But baby you are loosing touch  
The innocence ain't enough  
You're gonna break away  
You're gonna break away

And damn, it's a feeling that I never had  
The way you touch my lips  
It's a feeling that I never, I never had

When the heart breaks into two  
Desire so brand new  
Yeah, I never, I never thought I'd be your victim

Hey baby where's your heart?  
Did you leave it with your soul on the other side?

And all the lies that fade away  
You just sit there swimming against your tide

Well I'm a victim baby  
Damn, it's a feeling that I've never had  
The way you touch my lips  
It's a feeling that I've never, never had

When the heart breaks into two  
Desire so brand new  
Yeah I never, I never...

Who shall I blame?  
Maybe the little pawn in your filthy game  
I'm the victim  
I'm the victim

If all is fair in love and war  
I'm not going to fight no more  
I'm the victim, I'm a victim  
I'm a victim, baby

Shall I blame the little pawn in your filthy game?  
I'm the victim

If all is fair in love in war  
Then I'm not gonna to fight no more  
I'm a victim, I'm the victim  
I'm a victim, baby

Whoa I'm a victim baby  
Oh oh oh oh  
Oh oh oh oh  
Oh oh oh oh  
Oh, I'm the victim  
Whoa I'm a victim, baby  
Oh oh oh oh  
Oh oh oh oh  
Oh oh oh oh
