Grimes

I won't break your heart  
In the dark  
In the...  
I won't break your heart  
In the dark  
In the...

I won't break your...  
I won't break your heart  
I won't break your heart  
In the dark

I'm new in the town  
I see you at night  
How to know since we are horrified?

In the tower  
I see a cloud  
How to know that it flows in the sky?

I won't break your heart  
I won't break your heart  
I won't break your heart  
In the dark  
[2x]

I'm the shinai  
'Cause I .. flower  
How to know that there's soul in the ..

I know ..  
Sky and water  
How to know that it flows only in the middle?

I won't break your heart (in the dark)  
I won't break your heart  
I won't break your heart  
In the dark

In the...  
I won't break your heart  
I won't break your heart  
I won't break your heart  
In the dark

I won't break your heart  
I won't break your heart  
I won't break your heart  
I won't break your heart  
In the dark  
[4x]
