```
I won't break your heart
In the dark
In the...
I won't break your heart
In the dark
In the...
I won't break your...
I won't break your heart
I won't break your heart
In the dark
I'm new in the town
I see you at night
How to know since we are horrified?
In the tower
I see a cloud
How to know that it flows in the sky?
I won't break your heart
I won't break your heart
I won't break your heart
In the dark
[2x]
I'm the shinai
'Cause I .. flower
How to know that there's soul in the ..
I know ..
Sky and water
How to know that it flows only in the middle?
I won't break your heart (in the dark)
I won't break your heart
I won't break your heart
In the dark
In the...
I won't break your heart
I won't break your heart
I won't break your heart
In the dark
I won't break your heart
In the dark
[4x]
