Grimes

ohh
ouh
I can't be a lifetime
without you
nothing that
but it's you
I took the chance
I wasn't scared
I took the chance
I stood alive
I wanna know
I wanna know
oh pain
I stood alive
I wanna know
oh pain
I stood alive
I wanna know
oh pain
I stood alive
I wanna know
ohh
I will always run
ouh
I can't be a lifetime
without you
I took a chance
I wasn't scared
oh pain
I wanna know
I wanna know
I wanna know
ohh...
