

## I Live with You

Grizzly Bear

Return  
Been gone too long  
Return  
Don't make me beg

And they'll try  
They'll try  
They'll try  
To keep us apart

And they'll try, they'll try  
They'll try  
To keep us apart  
But yes we can

You brought us this far  
We'll do what we can

Return  
Don't put me on  
Return  
Don't make me beg

Return

And they'll try  
They'll try  
They'll try  
To keep us apart

And you'll try, you all try  
You'll try  
To keep us apart  
But yes we can

You brought us this far  
We'll do what we can
