Look Me in the Eye Sister

Groove Armada

You say you don't need them But when you don't need them You send them off Yeah you send them off

Do what you think you should do Leave them like you said you would do But you never stop It's how you are

Better fight You better fight yeah You better fight If you if you stand up

Look me in the eye sister
We're just mocked by doofus
I am a stranger
Giving it up against the wall
Up against the wall
Up against the wall

You don't own me
Oh you don't let it be
Just 'cause you're lost
Don't cut off your arm

Before it comes now Before it comes down Before it comes down Are you ready for

Look me in the eye sister We're just mocked by doofus I am a stranger Giving it up against the wall

Up against the wall Up against the wall Up against the wall Up against the

Before it comes down Before it comes down Before it comes down Are you ready for Ready for

Don't you blame it on me Don't you blame it on me

Look me in the eye sister We're just mocked by dufus I am a stranger Giving it up against the wall

Up against the wall

Up against the wall Up against the wall Up against the

I think you know about it
Think you know
Think you know oh oh

Look me in the eye sister Look me in the eye sister Think you know about it Think you know about it

Up against the wall Up against the

Up against the wall Up against the
