He Said - feat. Chris August

So your life feels like it dont make sense
And you think to yourself, Im a good person
So why do these things keep happening?
Why you gotta deal with them?
You may be knocked down now
But dont forget what He said, He said
I wont give you more, more than you can take
And I might let you bend, but I wont let you break
And no-o-o-o-o, Ill never ever let you go-o-o-o-o
Dont you forget what He said
Who you are aint what youre going through
So dont let it get the best of you
Cause God knows everything you need,
So you aint gotta worry
You may be knocked down now
But just believe what He said, He said
I wont give you more, more than you can take
And I might let you bend, but I wont let you break
And no-o-o-o-o, Ill never ever let you go-o-o-o-o
Dont you forget what He said
Dont fear when you go through the fire
Hang on when its down to the wire
Stand tall and remember what He said
I wont give you more, more than you can take
And I might let you bend, but I wont let you break...
I wont give you more, more than you can take
And I might let you bend, but I wont let you break
And no-o-o-o-o, Ill never ever let you go-o-o-o-o
Dont you forget what He said
Dont you forget what He said
Dont you forget what He said
What He said
