You may be knocked down now But dont forget what He said, He said I wont give you more, more than you can take And I might let you bend, but I wont let you break And no-o-o-o, Ill never ever let you go-o-o-o Dont you forget what He said Who you are aint what youre going through So dont let it get the best of you Cause God knows everything you need, So you aint gotta worry You may be knocked down now But just believe what He said, He said I wont give you more, more than you can take And I might let you bend, but I wont let you break And no-o-o-o, Ill never ever let you go-o-o-o-o Dont you forget what He said Dont fear when you go through the fire Hang on when its down to the wire Stand tall and remember what He said I wont give you more, more than you can take And I might let you bend, but I wont let you break... I wont give you more, more than you can take And I might let you bend, but I wont let you break And no-o-o-o, Ill never ever let you go-o-o-o Dont you forget what He said Dont you forget what He said Dont you forget what He said What He said
