

## Mr. & Mrs. (I Do This For You)

Group 1 Crew

Just saw a movie and it made think  
My life ain't hollywood  
Love don't come that easily  
And when I try so hard and just can't get it right  
It still amazes me that you love to stay here by my side

'Cause everyday we get down on our knees  
Asking God to help us be who we need to be  
We're far from perfect but I trust and believe  
You and me can grow a heart that would truly say

I do this for you  
I do this love  
I do this for the life we've been dreaming of  
I give you my word attached with my heart  
Then nothing in this world could tear us apart

I do this for you  
I do this for you  
I do this for you  
I do this for you

I used to dream about calling you my baby  
Now that we're together man it feels so crazy  
Now I'm responsible to keep you happy daily  
Make this house my home for my foxy lady

'Cause everyday we get down on our knees  
Asking God to help us be who we need to be  
We're far from perfect but I trust and believe  
You and me can grow a heart that would truly say

I do this for you  
I do this love  
I do this for the life we've been dreaming of  
I give you my word attached with my heart  
Then nothing in this world could tear us apart

I do this for you  
(i do this for you, do this for you)  
I do this for you

No matter what we go through  
It's gonna be me and you

You know that I love you baby
