Outta Space Love

Group 1 Crew

I need that love, love, bigger, bigger Love, love, bigger, bigger Love, bigger, love, bigger Love, love, bigger, bigger

To every boy and senorita
Man, it's really nice to meet ya
Whether black or Philippina
Peep this funky culmadina

Seen a lotta ups and downs And sometimes even in between-a But this love it saved the day So let me take you to my leader

I need that love, love, bigger, bigger Love, bigger, love, I need that Outta space love, outta space love And if this world ain't bigger Bigger, big enough, gimme that Outta space love, outta space love

We be delivering that hotness for ya Something that's out of this world Jump in the space ship, all aboard Buckle-in, keep away from the door

You about to witness history in the makin' First rap group to make it outer space And we takin' people who believe Love is worth the mission

If you want I can take you there
(Follow, follow the leader)
I said, if you want I can take you there
(Follow, follow the leader)

If you want I can take you there
(Follow, follow the leader)
I said, if you want I can take you there
(Follow, follow)

I need that love, love, bigger, bigger Love, bigger, love, I need that Outta space love, outta space love And if this world ain't bigger Bigger, big enough, gimme that Outta space love, outta space love

You got your ticket, raise your hand And if you really understand Then I can take you by the hand Take you to a place you've never been (Future future, future, future, future)

Future ain't really promised today
So I'm a have to speak what he want me to say

Take you on a ride into outer space Love so good make you wanna stay

And I'm a be your tour guide Picture like a Polaroid You havin' a betta life Shake it till you see it right

Cool like 80's slang
Is this stuff I'm offering
Tried enough to please ya man
And ya girl don't understand

If you take me by the hand Trust this la love alien Then I'm a take you to a place That you never been Hold on tight like ya life depends On it, on it, on it

I need that love, love, bigger, bigger Love, bigger, love, I need that Outta space love, outta space love And if this world ain't bigger Bigger, big enough, gimme that Outta space love, outta space love

I need that love, love, bigger, bigger Love, bigger, love, I need that Outta space love, outta space love And if this world ain't bigger Bigger, big enough, gimme that Outta space love, outta space love

Yeah, I'm outta space with mine You inner space with yours Let's put them all together So we can become one voice

And let the world see now Just what we talking 'bout And take a trip to outta space And let your faith ring out

I'm outta space with mine You inner space with yours Let's put them all together So we can become one voice

And let the world see now Just what we talking 'bout And take a trip to outta space And let your faith ring out

[?]
You could be the place, I'll be the travel

So here we go, go, go, go
So here we go, go, go, go
So here we go, go, go, go
So here we go, here we go
Here we go, go, go, go, go, go, go

I need that love, love, bigger, bigger Love, bigger, love, I need that Outta space love, outta space love And if this world ain't bigger Bigger, big enough, gimme that Outta space love, outta space love

If you want to come and join the party
Just come as you are and bring somebody
There's room in the back so don't you worry
But we takin' off soon so you betta hurry

Here we go
([?])
Here we go
(You could be the place, I'll be the travel)
Here we go
