

# Love Her Body

Gucci Mane

Zaytoven!

Huh

Metro Boomin want some more, nigga!

You know I'm a gangster I'm a need for you to pray for me  
I know these niggas want you, I'm a need for you to wait for me  
Love and loyalty, it's not a day she goes unfaithfully  
Cause cain't nobody fuck you like me, yeah it ain't no replacing me  
Baby girl, you're more than beautiful, you put your trust in me  
Know I keep that blammer on me, know I'm your security  
Girl you got me invested in you, this is our community  
Thankful for this opportunity, treat you like family  
I can't even explain it but lil mama bring out the best in me  
I can't break this shit off if I wanted to, it's destiny  
I can't even explain it, but lil mama bring out the freak in me  
I'm a break her off in the back seat of my Bentley

Do I love my bitch or am I in love with her body?  
Do I love my bitch or am I in love with her body?  
Do I love my bitch or am I in love with her body?  
Do I love my bitch or am I in love with her body, body?  
Do I love my bitch or am I in love with her body?  
Do I love my bitch or am I in love with her body?  
Do I love my bitch or am I in love with her body?  
Do I love my bitch or am I in love with her body, body?

Baby you a goddess and I'm not being dishonest  
I can't even be modest, cause I'm in love with your body  
You worth more than money and you taste sweeter than honey  
Your walk is so hypnotic, you erotic plus exotic-xotic  
People say I'm trippin' I ain't thankin' bout these bitches  
We can share my rise, I give a damn they say I'm trickin'  
Super bad bitch I need it, first time I just did it, did it  
I can turn you up, I'm filthy, make you laugh I'm super silly  
We can hold hands in Lenox  
I don't give a damn who with me  
These haters need mind their business  
Tell the valet bring my Benzes  
Please beg my pardon, this not Dolly  
I'm the Trap God, she the goddess  
Good brain like she went to college  
These hoes jellyfish, she can't be solid
