

A Big Fan of the Pigpen

Guided by Voices

Oh, to speak on one's feet
To beat on one's brain
The popular mechanics are at it again
A tenement filled with side-show freaks
Assembled to downgrade
An impeccable arrangement
By the soft-rock renegades
And give me time to light
A sentimental torch tonight
I'm a big fan of the pigpen

Sharper than most
Cut with exacto
Gone is all good
Ex post facto
Ba-da-ba-da
Oh, oh.
