

How Loft I Am?

Guided by Voices

Why ask?
The people are snobby
And maybe baby
Maybe baby
You'll be free
Look to the trees while they're growing
And maybe baby
Maybe baby
You'll see
Maybe baby
Maybe...baby
Climb to the top of the ladder
And maybe baby
Maybe baby
You'll know
Stay with the clouds when they scatter
And maybe baby
Maybe baby
Maybe baby
Maybe baby
You will see.
