

Freckles the Pony

Guttermouth

Some say she used me like I was just a crutch
So lucky I'm a gentlemen she so deserved a punch
I bought her everything, a pony feed, a pogo stick
His name was Freckles but she was sucking someone else's...

I have filled you full of love
Have showered you with drugs
This time I'll shut you out
Like I did one thousand times before
Like I did one thousand times before
Like I did one thousand times before

So she had dandruff and a prominent beer gut
I'd overlook her short comings, should I become a monk?
I'd do most anything, a picture perfect portly catch
Her name was Carmen but all she did was take it in the...

I have filled you full of love
Have showered you with drugs
This time I'll shut you out
Like I did one thousand times before
Like I did one thousand times before
Like I did one thousand times before

I have filled you full of love
Have showered you with drugs
This time I'll shut you out
Like I did one thousand times before
Like I did one thousand times before
Like I did one thousand times before

I have filled you full of love
Have showered you with drugs
This time I'll shut you out
Like I did one thousand times before
Like I did one thousand times before
Like I did one thousand times before
