

I've Got It Made

Guttermouth

Hi ho, hi ho, it's off to work I go
I could bust my ass, earn the cash
But I would rather make it snow
You know as it does in Mexico
I've been to jail out on bail
Interventions not conventions

I've got it made
I made in the shade
I've got it made
I made in the shade
I've got it made
I made in the shade
I've got it made

I could scrape by but why I'd rather go get high
Than keep up with the boring Joneses that I can't subscribe
I've heard them say my brain's in permanent decay
I'm a one man revolution
Keys notes straws are my pollution

I've got it made
I made in the shade
I've got it made
I made in the shade
I've got it made
I made in the shade
I've got it made

I've got it made
I made in the shade
I've got it made
I made in the shade
I've got it made
I made in the shade
I've got it made
I made, I made, I made

I've got it made
I made in the shade
I've got it made
I made in the shade
I've got it made
I made in the shade
I've got it made
I made, I made, I made

Hi ho, hi ho, I'm off to score some blow
I'm not gonna fake it my big nose is how I take it
Hi ho, hi ho, it's off to work you go
Buy it snort it sell it take your ridicule and quell it yeah

I've got it made
I've got it made
I've got it made
I've got it made
Got it made in the shade
