

Heartbreaker

H.E.A.T

I never knew about your plans
But like I give a damn
Thought you we're good but you're bad
Felt like a king
Like some kind of a super man
Thought I had it under control

Feeding my hunger just for your taste
Baby that's wrong
And now I'm here to tell you that you're just a

Heartbreaker with a heart of stone
Taking what's ours and make it your own
Heartbreaker got me out of control
Fighting my way to take back what you stole

You come and you go as you please
It's like a mad disease
The fever's got me down on my knees
You're nothing but a teaser
A dirty Mona Lisa
The devil's got his smile on your lips

Feeding my hunger just for your taste
Baby that's wrong
And now I'm here to tell you that you're just a

Heartbreaker with a heart of stone
Taking what's ours and make it your own
Heartbreaker got me out of control
Fighting my way to take back what you stole
