

# Still Down

H.E.R.

When you need the time, I won't have it  
I'll try not to make it a habit  
But I can't promise that  
Wish I could do that  
Cause you deserve  
Actions and not words  
And you know that I'm worth  
Waiting for  
While I'm out on tour

Tell me right now  
Are you still down? (Yeah)  
Are you still down?  
Tell me right now  
Are you still down? (Are you?)  
Are you still down?

When I ain't there and you get the urge  
Who you hittin' up first?  
Is it me or it's her?  
I be thinkin' the worst  
When you don't pick up  
But I don't call enough  
It's only for now  
This won't be forever but I think that we will  
If you

Tell me right now  
Are you still down? (Yeah)  
Are you still down?  
Tell me right now  
Are you still down?  
Are you still down?

(Are you still down?  
Are you still down?  
Are you still down?  
Are you still? Are you?  
Are you still?)

If I put all my faith to you  
Will you be faithful?  
Hold me down, baby  
I know that ain't easy to do (do, do, do)  
Don't be stupid  
You know I do this for you (you, you, you)  
Down  
Down  
Are you still?  
Are you still?  
Are you still...?
