Hey mister policeman
Don't tell I 'bout your law.
Hey mister politician
Don't push I inna hole.
Hey mister preacherman
Don't teach I how to pray.
Hey mister general
I'm not your stupid soldier.

Ref: 'Cause we got soul,
'Cause we got soulfire.
We got soul,
'Cause we got soulfire.
'Cause we got soul,
We got soulfire.
'Cause we got soul,
We got soulfire.

I and I ...

Hey mister policeman
You'll never catch my spliff.
Hey mister politician
Don't tell I how to live.
Hey mister preacherman
I don't hear what you say.
Hey mister general
War is not my way.
