Don't Save Me

HAIM

```
1. Never thought that I would grow so old of seeing the gold
                      D Em C
  Still I never want it to go
  I would hold it up to my cold heart
                  G D Em G
  Feel the way it used to start
  Take me back, take me back
  To the way that I was before
  Hungry for what was to come
  Now I'm longing for the way I was
X: You say you will, say you will save me
  You say you will, say you will save me
  You say you will, say you will save me
  You say you will, say you will
R: Take me back, give it up, give it up to me
  'Cause I can't go on if your love isn't strong
  I want it all, give me, give me all your love
  But if you can't hold on
             Bm C
   Then baby, baby, don't save me now
  If your love isn't strong
       С
                 Em D G
  Baby, don't save me now
2. All my life I wasn't trying to get on a high way
  I was wondering which way to go
  Spending all of my damn time
  Leaving all the weight behind
  Take me back, take me back to the song
                  D C
  How'd it used to go?
   Screaming for what was to come
```

- X: You say you will...
- R: Take me back, give it up...
