Let Me Go

HAIM

```
      Gm
1. Get me out, give me in
   I gave you everything I could give
   You tried to take it, you tried to make it
   But take on everything you can't break

      D5
   If you go so easily

   Go on, get out and when you leave
   Gm
   I will wait, I will want wait 'til the day you're back again

   Let me out, let me in
   I've given up, not given in
   'Cause together we are not one
   We are nothing, we're holding on and on

      D5
   Together now, forever then

   Go ahead, don't you let me in
        Gm
   But I will wait, I will want

   Wait 'til the day you're back again
