

# Still of the Night

Halestorm

In the Still of the Night  
I hear the wolf howl, honey  
Sniffing around your door  
In the Still of the Night  
I feel my heart beating heavy  
Telling me I gotta have more

In the shadow of night  
I see the full moon rise  
Telling me what's in store,  
My heart start aching  
My body start a shaking  
And I can't take no more, no, no

Now I just wanna get close to you  
An' taste your love so sweet  
And I just wanna make love to you  
Feel your body heat...

In the Still of the Night...  
In the Still of the Night...  
Over here baby...

In the heat of the day  
I hang my head down low  
And hide my face from the sun  
Through the light of the day  
Until the evening time  
I'm waiting for the night to come

In the Still of the Night,  
In the cool moonlight,  
I feel heart is aching  
In the Still of the Night...

Tell me here baby

In the Still of the Night  
I hear the wolf howl, honey  
Sniffing around your door...  
In the Still of the Night  
I feel my heart beating heavy  
Telling me I gotta have more...

Now I just wanna get close to you  
An' taste your love so sweet  
And I just wanna make love to you  
Feel your body heat.

In the Still of the Night...

Still of the Night,  
Still of the Night,  
Still of the Night...
