

# Liar

Haley Reinhart

You told me everything I wish I never knew  
Now I can't get past the truth  
Now I just wish I could go back to loving you  
Can't get back to loving you

There's a right side, and a wrong side  
Whenever any love goes wrong  
But you can't lie, so I can't hide  
Maybe happiness is blind

I'm not calling you a liar  
I just wish you were  
I'm not calling you a liar  
(I'm... not... calling... you a liar)  
They say what you don't know  
It can never hurt  
I'm not calling you a liar  
I'm... not... calling... you a liar  
(I'm... not... calling... you a liar)

You gave me chills, not scars, left me with  
Nothing to hate  
Just a perfect bitter taste  
Wish I was still in the dark but now I'm burdened by the weight  
Had to watch you walk away

There's a right side, and a wrong side  
Whenever any love goes wrong  
But you can't lie, so I can't hide  
Maybe happiness is blind

I'm not calling you a liar  
I just wish you were  
I'm not calling you a liar  
(I'm... not... calling... you a liar)  
They say what you don't know  
It can never hurt  
I'm not calling you a liar  
I'm... not... calling... you a liar

I don't want apologies  
I don't need your sympathy  
But this honesty is killing me  
I learned my lessons well  
Ooooo  
So let me keep lying to myself  
Let me get lying to myself

I'm not calling you a liar  
I just wish you were  
I'm not calling you a liar  
(I'm... not... calling... you a liar)  
They say what you don't know  
It can never hurt  
I'm not calling you a liar  
I'm... not... calling... you a liar

I'm not calling you a liar  
I just wish you were  
I'm not calling you a liar  
(I'm... not... calling... you a liar)  
They say what you don't know  
It can never hurt  
I'm not calling you a liar  
I'm... not... calling... you a liar
