

# Forever for You

Hall & Oates

Does anyone know what love can cost  
To take you so high then leave you lost  
Is it a mystery that runs too deep  
For such a simple heart

Can anyone stop the hands of time  
And put back the loving in your eyes  
Though it's his name I hear  
When you are sleeping, I'll pretend it's mine

When they ask me how long I'm gonna love you  
If the road to my heart will always stay true  
I'll say forever, yeah, I'll say forever for you

When they ask will I stand right there beside you  
And they don't see you and me the way that I do  
I'll say forever, I'll say forever for you

Do I forever  
Do I love you  
Do I forever

A rose is a rose by any name  
But a thorn will still cut you just the same  
I'm losing your love I know, so sad the feeling  
I can tell somebody's stealing, stealing away your heart

When they ask me how long I'm gonna love you  
If the road to my heart will always stay true  
I'll say forever, I'll say forever for you

When they ask will I stand right there beside you  
And they don't see you and me the way that I do  
I'll say forever, I'll say forever for you

I don't know if I should tell you  
How you live in my heart  
There's no room for another  
If you leave me now  
My heart would not recover

Do I forever  
Do I love you  
Do I forever  
Forever for you

When they ask me how long I'm gonna love you  
If the road to my heart will always stay true  
I'll say forever, I'll say forever for you

When they ask will I stand right there beside you  
And they don't see you and me the way that I do  
I'll say forever, I'll say forever for you

Do I forever  
Do I love you  
Always done forever

Do I forever

Do I forever

Do I love you

Do I forever

Forever love you

Darling forever, forever, forever
