## **Forever for You**

## Hall & Oates

Does anyone know what love can cost To take you so high then leave you lost Is it a mystery that runs too deep For such a simple heart

Can anyone stop the hands of time
And put back the loving in your eyes
Though it's his name I hear
When you are sleeping, I'll pretend it's mine

When they ask me how long I'm gonna love you If the road to my heart will always stay true I'll say forever, yeah, I'll say forever for you

When they ask will I stand right there beside you And they don't see you and me the way that I do I'll say forever, I'll say forever for you

Do I forever Do I love you Do I forever

A rose is a rose by any name
But a thorn will still cut you just the same
I'm losing your love I know, so sad the feeling
I can tell somebody's stealing, stealing away your heart

When they ask me how long I'm gonna love you If the road to my heart will always stay true I'll say forever, I'll say forever for you

When they ask will I stand right there beside you And they don't see you and me the way that I do I'll say forever, I'll say forever for you

I don't know if I should tell you How you live in my heart There's no room for another If you leave me now My heart would not recover

Do I forever
Do I love you
Do I forever
Forever for you

When they ask me how long I'm gonna love you If the road to my heart will always stay true I'll say forever, I'll say forever for you

When they ask will I stand right there beside you And they don't see you and me the way that I do I'll say forever, I'll say forever for you

Do I forever Do I love you Always done forever Do I forever

Do I forever
Do I love you
Do I forever
Forever love you
Darling forever, forever, forever
