One on One

Hall & Oates

I'm tired of playing on the team It seems I don't get time out anymore What a change if we set the pace face to face No one even trying to score

Oh oh I can feel the magic of your touch And when you move in close a little bit means so much Ooh yeah, you've got to understand baby Time out is what I'm here for

One on one I wanna play that game tonight One on one I know I wanna play that One on one I wanna play that game tonight One on one so slow

You can't tell me you don't miss me girl I think I might know you too well Wonder what you'd say if you knew that I was coming tonight Want to? I want you can't you tell

One on one I wanna play that game tonight One on one I know I wanna play that One on one I wanna play that game tonight One on one so slow That's all you need to know now

'Cause if it's really right there's nothing else One on one I want to play that game tonight
